** Starry Starry Night **

Imagine being homeless, displaced and with nothing; no home, no food, no dignity, sleeping under the stars day in and day out, with no opportunities for the basic human rights and dignity as started under the United Nations Charter on Human Rights. The romance of sleeping under a moon lit starry night would soon wear off as the reality of the situation and desperation becomes real.

The objective of this fundraising charity is to provide food and shelter for the dispossessed people of Sri Lanka who, through civil war have lost everything. In particular the charity will focus on educating the children who have lost any opportunities they would otherwise have had to an education. We are currently planning to build a bakehouse and common kitchen in affected areas.

We can cure physical diseases with medicine but the only cure for loneliness, despair and hopelessness is love. There are many in the world who are dying for a piece of bread but there are many more dying for a little love.
